

BIG ROOTERS' PRACTICE TO-DAY AT 5 P.M.

Intercollegiate Tennis Semi-Finals Here This Afternoon

PRINCIPAL AND ARTS DEAN HAVE RECEIVED HONORARY DEGREES

McGill's Principal, Sir Arthur Currie, and Dr. Iva A. Mackay, Dean of Arts, are to be highly honoured by sister universities this week.

Sir Arthur left Wednesday night for the University of Western Ontario, London, Ont., where he received the Honorary Degree of Doctor of Laws. On Thursday he was the guest of honour at a luncheon given by the Chancellor and Governors and in the evening he was again honoured at a dinner by the Mens' Canadian Club, after which he was invested at a special convocation. To-day, Sir Ar-

thur will be present at the opening of some new university buildings and in the evening he will attend a dinner given by McGill Alumni in his honour.

Dean Mackay will also be away over the week-end, at Kingston, for the annual Autumn Convocation where he will receive the honorary degree of Doctor of Laws from Queen's University. Another event of importance at Queen's will be the installation of Sir Robert Borden as Chancellor.

On the convocation programme are several private functions in honour (Continued on page two)

MUSICAL SEASON OPENS THURSDAY

Mr. Blair to Give Talk on Value of Music

The musical season at McGill will open next Thursday evening when the Music Club will meet at the residence of the president, Wm. F. Shepherd, Edgemoor Road, Westmount, to discuss "The Educational Value of Music". Mr. F. H. Blair will be the speaker of the evening.

At this meeting the Club is following the policy found to be successful last year—namely, to have a man prominent in local musical circles address the meeting and to follow this with a short musical programme. Those who attended last year's meetings will remember how enjoyable they were.

On this occasion the executive of the Club has been fortunate in procuring as a speaker, such a well-known musician as Mr. Blair will deal with a side of music which is too often overlooked in times when music is apt to be thought of, merely as something to be listened to; when education is prone to stray from its cultural path.

By way of illustrating his talk, Mr. Blair has promised to bring two singers who will render solos. Their identity has so far not been ascertained but will be published later.

In addition to the lecture and the songs, a trio composed of Grange Woolley, Howard Elliott, and Willis Malone will give two selections. These will include a Sonata by Beethoven.

In all, the programme is one of the great promise and the members of the Club can look forward with assurance to a very pleasurable evening.

SECOND MOCK PARLIAMENT OPENS SOON

Session Expected to be Very Lively

GRANT TO N. S.?

Possibility of the Government Leadership Being Vacated

Great excitement is in the political circles as the time for the second session of Mock Parliament draws near. Rumors are afloat of a general shake-up in government circles, with possibilities of the leadership of this party vacated after this session. The recent bye-elections have supported the government, but their majority is not so great that the whips are too confident. Both parties seem to be preparing for a crisis and the probabilities are that it will come at this session. The speech from the throne

THUNDERING THOUSANDS TO-DAY AT 5

Practice for Rooters in Preparation for To-morrow

EVERYBODY OUT

Rooters' Band Will Accompany the Singing

At 5 o'clock this afternoon, the "Thundering Thousands" will meet in the Union Ball Room for a final practice before the R.M.C. vs. McGill game on Saturday. To judge from present prospects, the game will be closely contested, and consequently the team should have all the support possible from the rooters. All freshmen and others, please remember that the success or failure of a team rests partly with the "bleachers." If all the faculties are as well represented as Science was at the last practice, the success of the Red and White team is assured. Insofar as it can be helped by the rooters.

This afternoon there will be a rehearsal of yells and songs. The Rooters' Band under Bandmaster Gagnon will be in attendance. It is hoped that there will be a repetition of the enthusiastic rush to be present, shown by the Science freshmen at the last practice. If all faculties emulate that spirit voluntarily there will be no need for further nagging. Alex. Olmstead will be in charge of the proceedings.

On Saturday the rooters will line up in the campus at 2.30 and load by the band will march to the Stadium. En route they will be joined by the red-tanned ladies of the R.V.C.

The entire bleachers has been reserved for the rooters so that no one need fear the possibility of not getting a seat. Members are urged to hand their Athletic memberships cards ready so that no delay will be pons. Coupon No. 5 will give attendance.

McGILL TRACK TEAM FIGHTS TO RETAIN CHAMPIONSHIP IN LIMESTONE CITY TO-DAY

Eighteen Men to Represent Red and White — Team in Excellent Condition — McGill Has Canadian Champion Hurdler — Has Won Past Six Track Meets — Expect Keen Contest in all Events — Two McGill Men Entered in Every Event — Toronto Strongest Contender, Especially in Sprints — Number of Points Made by Queen's May be Deciding Factor — Team Left Last Night.

When the Toronto train pulled out of Bonaventure Station last night, the McGill track team, eighteen strong, were on board, in a special car which will be side-tracked at Kingston, sometime in the small hours of this morning. Accompanying the athletes will be Coach, Mr. Van Wagner, Manager Fullerton, Ernie Cook the rubber and others while the officials, Dr. MacMillan, Dr. Lamb, perhaps Dr. Sullivan and Errol Amaron will not leave until this morning. The members of the team, excepting those who will be representing McGill in the relay race, which will likely take place at the half time of the Queen's-Varsity football match on Saturday, will probably return to Montreal early tomorrow morning. Those who remain for the Saturday events will be home Sunday morning.

Every member of the team is in the best of condition, and the men are determined to bring back to McGill for the seventh consecutive time the trophy emblematic of the Intercollegiate Track Championship. However, the strength of the rivals, Queen's and Varsity, although not definitely known, is certainly very formidable, and whoever wins, the margin of victory is bound to be a slight one. Toronto is fielding a well-balanced team, reported especially strong in the sprints, while Queen's, although with little hope of the title, has entered the best group of track men in her history. This branch of sport has been neglected of late years at the Presbyterian institution, but the club was thoroughly reorganized this autumn, and, their manager claims, will be a strong contender for premier honours next fall.

The McGill men will not be definitely chosen until shortly before the meet to-day, but in every event there will be two wearers of the Red and White, selected from the following: Discus: Kennedy, Gaboury, Consiglio. Half mile: Airey, Hurd, Duckworth. 120 yards high hurdles: Consiglio and Pierce. Pole vault: Gaboury and Consiglio. 100 yards dash: Patterson, Gavsie, Michael. High Jump: Kennedy Consiglio and Cole. Shot put: Jardine, Cole, Kennedy. Broad jump: Patterson, Kennedy, Gaboury. One mile: Rubin, Clement, Airey. 220 yards dash: Spence, Patterson, Gavsie. Javelin: Smith, Gaboury, Kennedy. BIG WELCOME FOR NEW MEN THIS EVENING

Annual Freshman Reception at Strathcona Hall

GOOD PROGRAMME

S. C. A. Extends Cordial Invitation to Everyone

This evening at 8 o'clock, Strathcona Hall will be a scene of unrivalled good fellowship, when freshmen of all faculties will cast care to the winds and gather together to spend a sociable hour, free from danger of molestation at the hands of troublesome sophomores. For tonight the S. C. A. holds its annual Freshman Reception.

For a great many years past this function has been an important event in the life of students who are new to the university. The evening is chiefly of a social nature, designed primarily to enable freshmen to get better acquainted with each other and with the work that is being carried on in the university. A cordial welcome is extended to all, and a most enjoyable evening is assured.

The programme this year is exceptionally fine, a great deal of time and thought having been spent in preparing it. "Bill" Hewetson will be there to lead the songs, and can be depended to put plenty of life into them. Besides this Grange Woolley has promised to give a few violin selections. It has been suggested that towards the end of the evening the company break up into smaller groups to give the men a better chance to meet and talk with one another. The crowd will assemble later on to partake of the refreshments that will be served.

The sophomores suspend operations for the night so that no fear need be felt on that quarter. It is a unique opportunity, and many older men look back with great satisfaction to connections formed at their Freshman Reception at the Hall.

EDMUND BURKE

Had a Distinguished War Record, and was Twice Decorated

The Music Club, organized only last year, is showing a great deal of enthusiasm and zeal in entering upon so large a musical venture as its public concert to be held on November 17th, in the St. Denis Theatre. Mr. Edmund Burke, the Canadian bass baritone of the Metropolitan Opera Company, is being brought on for the occasion. This concert is intended to raise enough money to present the University with a first class concert grand piano.

As things are going now its hopes will be realized. In choosing Mr. Burke, the organization has selected not only a great artist of international fame, but one who has been decorated.

McGILL LEADS TORONTO IN CLOSE TENNIS

McGill One Point Ahead of Her Close Rival, Toronto

GOOD PROGRESS

Seventeen Matches Played on Courts Yesterday Morning

McGill broke into the lead in the race for intercollegiate tennis honours, yesterday, when her players won seven out of eight matches against the leading players of rival universities. Toronto is following close on her heels, being but one point behind.

The inter-collegiate tournament made excellent progress yesterday, when 17 matches were played and the third round of the singles were almost completed. The first round of the doubles was played and the McGill pair Wright and Leslie advanced in an easy victory over Burdette and Roy of University of Montreal. The score was 6-1, 6-0.

The results are as follows:

1st ROUND SINGLES

C. M. Leslie (Mc G.) beat Deaulmiers (U. of M.) default.

G. Purcell (Osgoode Hall) beat MacLachlan (Queen's) 6-2, 6-4.

G. Nunn (U. of T.) beat Fraser (Osgoode Hall) 6-4, 6-1.

Pilon (U. of M.) beat Gillespie (Queen's) 9-11, 9-7, 9-7.

2nd ROUND

A. Ham (U. of T.) beat P. Wickham (Mc G.) 6-2, 6-4.

Hewitt (O. H.) beat Sexton (Q.) 6-4, 6-4.

Worsley (U. of T.) beat Gelineas (U. of M.) 6-3, 6-2.

J. A. Wright (Mc G.) beat B. Doherty (U. of T.) 6-1, 6-1.

Jones (Q.) beat Burdette (U. of M.) default.

S. Perry (Mc G.) beat Mc Burney (O. H.) 7-5, 6-1.

Leslie (Mc G.) beat G. Purcell (O. H.) 6-2, 6-1.

Nunn (U. of T.) beat Pilon (U. of M.) 6-2, 6-3.

3rd ROUND

Wright (Mc G.) beat Jones (Q.) 6-0.

contained a great deal of legislation that will be most violently and loudly opposed by the Opposition. The bill that is at present in the fore is that of granting a subsidy to the Nova Scotia coal miners. The government claims that it is essential that some help be given to keep open these mines that are the chief support of the Bluenose province, but it is a question with many members whether a large amount of money can be expended at this time. The opposition cannot see how the government is going to discriminate between industries which are to receive the grant and those which will not. It is a question that will call forth the best oratorical efforts of both parties and rumor says that outside experts are to be called up and may be permitted to prove facts and figures. The reporter was unable to verify this latter fact. But the session promises to be one of the best and liveliest of years.

CONVERSAT.

The annual conversat. will be held in Strathcona Hall on Wednesday, October 29. This date has been changed on account of the informal dance on the 24th.

MED. UNDERGRADS. SOCIETY MEETING

Dr. Mackay to Deliver Opening Address

Dr. F. MacKay, Neurologist of the Montreal General Hospital will deliver the opening address of the Medical Undergraduate Society on Monday evening at 8 o'clock in the New Medical Building. The subject of his talk has not been announced as yet but every Med. who has ever heard Dr. MacKay will vouch for his ability to put across ideas in a way that will appeal to every student from the first to the fifth year. Refreshments will be served at the conclusion of the address and arrangements are also being made to obtain an orchestra for the evening.

An endeavor to get the earliest Med. interested in their Society meetings the Executive is taking great care this year to secure a line of speakers who will be of interest to medical men in all years, and their choice for the opening night has merely been a fortunate one. All Med. especially of the first years are urged to be present to start the year off with a bang.

SOCIAL SEASON OPENS OCT. 24

Informal Dance to be Held in Union Ballroom

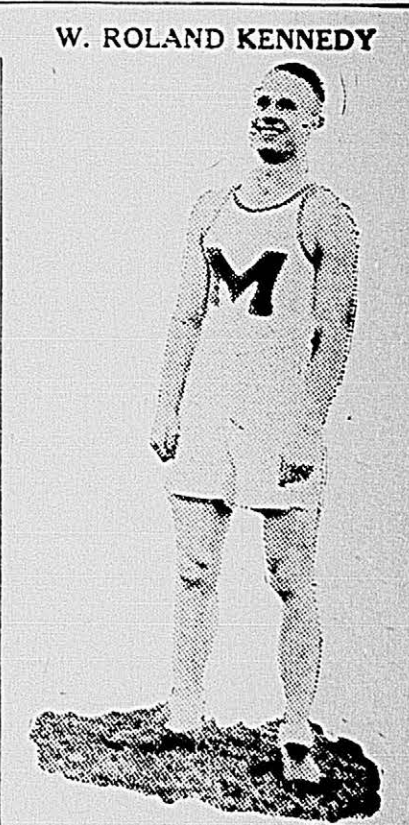

The social season of McGill will open this year with an informal dance held in the redecorated ballroom of the Union on Friday the 24th of October. This year's affairs are expected to be the best McGill has seen for many a moon. The Union House Committee has been working hard over the arrangements and an excellent evening may be expected by all who attend.

It has not yet been announced what orchestra will attend but it is assured that it will be a good one.

More particulars will be announced in a future issue of the Daily.

Intercollegiate hurdling champion of Canada, who is expected to contribute ten points to McGill's score this afternoon in the meet at Kingston.

A steady man for many years in field events. He holds two university and one intercollegiate record. He will carry the McGill colors at Kingston to-day.

CLAIMS STUDENT ROOMERS SMASH MUCH FURNITURE

Student roomers are more destructive of furniture and peace of mind than any other roomer in the world. Glenn D. Dalton, associate secretary of the Y. M. C. A. at Columbus, Ohio, has concluded after listening to the complaints of some students, landlords.

Dalton is head of the bureau at the Y. M. C. A. office that handles rooms for students, and for this reason is the recipient of many complaints that are made about student conduct in those rooms.

Many of the male students at Ohio State smoke cigarettes. When the engineer is preparing his drawing for the next day or the arts students become engrossed in an academic problem, he is liable to leave his cigarettes burning on the desk, on the chair, or on the mantle so that it damages the surface, landlords complain.

One of the tendencies of the turbulent is to have lights in several parts of the room—over the desk over the mirror, and near the ceiling. All of them are often left lit, the landlords report.

And then another source of complaint is the length of time that students spend at the house telephones. Much of this is accounted for by codes, many talking as long as 45 minutes, at a time, it was reported.

Rowdyism among male students is another reason why landlords complain, Dalton says. Boys wrestle in the room, break chairs, slats in beds, or springs, and are generally hard on furniture. One incident was noted in which a student had been asked to move, with the result that he took the bed apart, turned the chiffonier, dresser, and chairs upside down, and cut a strip from the wallpaper in retaliation.

BOOKS ON ETIQUETTE WERE BEST SELLERS TO OHIO STUDENTS

Two booksellers at Ohio State University, who deal in reading matter of all varieties say that two-thirds of the mystery stories sold from their shelves are to professors in the University.

Along with the statement that they sell most of their mystery books to professors comes the statement from one of the shops that a small and condensed edition of a book of etiquette was their best seller to students last year.

Fashions in books like fashions in clothes, change frequently and go from extreme to another, they say.

Those readers among the student body who so admired Gene Stratton Porter, Rex Beach, and Zane Grey but a few years ago have now started to take away. Now, more students are asking for Percy Marlowe's "Plastic Age" and Croy's "West of the Water Tower."

Foreign classics translated into English are always good sellers. At present, Rosland's "Cyranos de Bergerac," a drama from the French, is greatly in demand this month.

Girls are consistent readers. They usually know what they want when they come into the bookshop, the sellers say, while most other people "shop" for a while before deciding to buy.

Men seem to prefer parodies and satires by Stephen Leacock and Don Marquis, although they want poetry of the modern type also. "Dorothy Vernon of Haddon Hall," by Charles Major, and all of Rafael Sabatini's works are in favor.

Among magazines, only the lightest and shortest stories are the most popular with students. Movie magazines, humorous weeklies and fashion papers have good sale.

MONTREAL, FRIDAY, OCTOBER 17, 1924.

THE TRACK MEET AT KINGSTON.

Representatives from Toronto, Queen's and McGill will compete for the Intercollegiate Track Championship to-day at Kingston. In addition, athletes from the R.M.C. and from Western University are going to compete for medals offered, but not for placing in the Intercollegiate competition.

McGill has won the last six meets, and since 1899 fourteen in all. During that period 'Varsity has claimed seven championships. It is evident from these facts that the local teams have been pre-eminent in this form of sport. But this year, although we are certain that the McGill aggregate is a strong one, it is difficult to predict what the result of the meet will be because of the unknown strength of the Queen's team. For years we have learned to not anticipate much opposition from the latter college. Of late, however, there has been a decided revival of interest in track work at Kingston, and the tri-colour promises to be a deciding factor in to-day's results.

Judging from the results of the recent inter-faculty meets held here and at Toronto, it is probable that records which have stood for some time will be broken. Toronto appears to be particularly strong in the sprints, as against McGill's pre-eminence in the middle distances. The new records in hurdles lately established here are slightly below the times set by the 'Varsity track men. With the loss to McGill of some veterans in field sports and the addition to the 'Varsity team of some very promising athletes, these two colleges should divide fairly evenly points which are not added to the Queen's score.

CONDENSED COMMENT.

When the freshman reception, an annual function of the S. C. A., is held to-night at Strathcona Hall, the first-year men will be given an opportunity to realize that friendship and fellowship are important factors in university life. The S. C. A. essays to encourage cultivation of friendship among students, especially those who are strangers to one another, and strangers to the university. To-night's function will serve that purpose successfully if all freshmen attend, mingle freely, and learn to know well their class mates. Incidentally, there will be no freshman rules to be observed, and no fear of molestation on the part of sophomores.

Another call is being sent out for the attendance of rooters at practice this afternoon. A very short time remains before "The Thundering Thousand" can prove whether the name applied to them is justified or not. In the meantime, it is well to respond to the urgent call for support by cheer leaders, not by force, but voluntarily.

MUSIC CLUB TO BRING ON BIG ARTIST

(Continued From Page One)

His reputation and probably one of the greatest that Canada has ever produced, but one who is well known in Montreal. He is a graduate of McGill. While at college he was very active in musical circles, being president of the Glee Club, conductor of the University Choir and closely connected with amateur recitals in the city.

Curiously enough he graduated in law, intending to make it his life work, and did not consider music as a profession till a trip abroad convinced him of his possibilities.

His success in opera and concert was as brilliant as it was sudden; for he was soon singing in the leading opera houses of England, France and Holland, besides gaining popularity in concert on the Continent. He toured Australia and was later chosen to assist Mme. Melba in her extensive concert tour of America.

When The Great War broke out, he immediately joined the Canadian forces. Three years he served in France with rank of Captain, twice being decorated and winning distinction as a soldier as well as a leader in concert entertainments for the soldiers.

Mr. Edmund Burke is now with the Metropolitan Opera Company. McGill is fortunate in having him on the extensive tour he is arranging for that coming season.

Kingston has been preparing for this meet for some time, and the college, as well as the city, has spared no trouble in advertising the event. In every office blotters explaining what will happen this afternoon have been distributed, while heavy red type on the telegraph poles announce that the competitions will see many of the best track athletes in Canada. The Board of Education has given the students in all the public schools a half holiday in order to promote interest in this form of sport, and over two thousand children are expected in the bleachers. The City Fathers will probably be seen at the stadium as well, although in a different part of the stands. Many Varsity men are likely to be down for the meet and the football game on Saturday, but as yet few McGill representatives have signified their intention of making the trip.

Kingston has promised that on Friday evening, when the meet is a thing of the past, that either Varsity or McGill will be a sadly murmuring, "If it had not been for the points won by Queen's, we would now have the title." Another slogan is the widely spread appeal "Help Queen's and Kingston to break the Intercollegiate Track Meet attendance record" and this is in a fair way of being done. There is no doubt that, whatever the outcome of today's struggle, track sports have come to stay in the home of the Presbyterians.

NOTICES

INTERFACULTY RUGBY

Students wishing to participate in the above are reminded that it is necessary to be physically examined. Dr. Harvey will be at Molson Hall on Friday from 12 to 1 p.m.

INTERFACULTY FOOTBALL

Fifteen games in all have been arranged, and the schedule is as follows: Comm. vs. Dent.—Friday, Oct. 17. Med. vs. Sel.—Monday, Oct. 20. Arts vs. Dent.—Wednesday, Oct. 22. Comm. vs. Law.—Friday, Oct. 24. Med. vs. Sel.—Monday, Oct. 27. Arts vs. Comm.—Wednesday, Oct. 29.

Law vs. Sel.—Friday, Oct. 31. Med. vs. Arts.—Monday, Nov. 3. Comm. vs. Sel.—Wednesday, Nov. 5.

Law vs. Dent.—Friday, Nov. 7. Med. vs. Comm.—Wednesday, Nov. 12.

Arts vs. Law.—Friday, Nov. 14. Sel. vs. Dent.—Monday, Nov. 17. As the last game comes at late as Nov. 17th, all the games must be played on their respective dates—rain or shine, and must all start at 3 p.m. sharp.

Campbell Cope, the senior manager, will supply the referees.

McGILL ROOTERS' BAND.

The last practice before Saturday's game will be held to-day at five o'clock, in the Music Room. Another baritone player and cornet player are badly needed. Mr. Gagner will be present to conduct the band.

R. V. C. ROOTERS

All R. V. C. students are requested to turn out for a short Rooters' practice in the gymnasium to-day, at one o'clock. This is the only practice before the R.M.C. game, so a large attendance is necessary.

CHEMICAL SOCIETY.

Dr. G. S. Whitty will address the Chemical Society to-day, in the MacDonald Chemistry and Mining Building. His subject will be "Chemistry at the British Empire Exhibition."

This is the first of the usual series of fortnightly lectures given by various speakers before the society during the year. All who are interested are invited to attend.

ARTS '26.

All members of Arts '26 who intend to take part in the Arts, Freshman-Sophomore banquet, are requested to communicate with a member of the class executive within the next few days. The class executive wishes to take this opportunity of urging all members of the class to wear both their caps and ribbons, for if this is not done drastic steps will be taken to enforce the Freshman rules.

ENGLISH RUGBY.

The following men have been chosen for the game against 'Varsity on Saturday, and are requested to report at the Union for a light lunch at 12 o'clock sharp, without fail, on that day:—

Full back—Cheeseman.
Three-quarters—Evans, Bradshaw, McInerney and Woolcombe.
Halves—Curran, Angeline.
Forwards—McDougall, Hare, Walter, Brown, Lochead, Wilson, Roome, Blundell.

Reserves—McGoun and McGregor.

HARRIERS.

Practices are now held daily at the Stadium at 5 p.m. This is a good way to get your gym. attendance. There is a trip to Kingston for those making the team, which is composed of six men, so all out and try for a place.

LOST.

A brown leather tobacco pouch on the south course of the Royal Montreal Golf Club at Dixie during the Student-Professor match on Friday last. Finder kindly return to the janitor of the Chemistry and Mining Building.

CHEMICAL SOCIETY

In the Chemical Society notice published in yesterday's Daily the hour of Dr. Whitty's address was omitted. The meeting is at five o'clock in the afternoon, to-day.

McGILL WOMEN'S UNION.

The first meeting of the McGill Women's Union will be held in the Strathcona Hall this afternoon at 4.30 p.m. Tea will be served at 4 p.m., at which the members will be the guests of the President, Mrs. R. A. E. Greenfield.

FENCING.

The first fencing practice has been postponed till Tuesday, October 21, owing to renovations to Strathcona Hall.

ARTS '27.

All Arts Sophomores eligible to attend the Arts Freshman-Sophomore Banquet should hand in their names to the secretary, T. M. Gordon, at once so that the lists may be checked up. This refers to those men who last year paid for two at the banquet, or who paid for one and did not themselves attend.

SWIMMING.

The McGill hours at the K. of C. tank for water polo and swimming are as follows:

Monday, Wednesday and Friday—5.30 p.m. to 6.45 p.m.
General swim Tuesday, 2.30 to 4; Thursday, 5 to 6.
Pool also open Tuesday, 5 to 6.30; Saturday, 2 to 6.

Mr. Mark Verey will be on hand to give swimming instructions on Tuesday from 2.30 to 6.30.

WRESTLING.

Wrestling will start on Monday, Oct. 20th, at Strathcona Hall at 5.15 p.m.

SICK STUDENTS.

Students who are confined to their rooms or to the hospital through illness will be given flowers and other attentions by the Ladies Auxiliary of the S.C.A. Anyone knowing of sick students are asked to communicate with Mrs. Willey, Up. 3201.

CERCLE FRANCAIS.

The next meeting of the Cercle Francais will be in the Union on Monday evening, Oct. 27. All members, and prospective members of the Cercle are asked to attend, as a very interesting programme is in store—including a debate.

R. V. C. '26.

A class meeting of R.V.C. '26 will be held on Monday, at one o'clock, in Room 2, R.V.C.

ARTS '26, IMPORTANT.

There will be a meeting of Arts '26 to-morrow, at 1 p.m. in Room 5 of the Arts Building. The chief business will be the nomination of a candidate for Arts representative on the Union House Committee.

SOCCER

There will be a practice on the campus this afternoon at 4 o'clock. The teams for tomorrow's games against the R.V.C. and Fairmount will be selected from those attending this afternoon's practice, and there are some instructions to be given, so that it is absolutely essential that every man should be out. Each man must be in Soccer togs, and those who are chosen to play in tomorrow's games will be given uniforms at the close of the work-out.

PHILOSOPHICAL CLUB EXECUTIVE

There will be a meeting of the Executive of the Philosophical Club this afternoon at 5 o'clock in the Lounge room of the Union.

ARTS INTERFACULTY RUGBY

There will be a practice at 4 p.m. today on the campus. All players are requested to be on hand.

R. V. C. ROOTERS.

All R.V.C. students are requested to turn out for a short Rooters' practice in the gymnasium to-day at one o'clock. This is the only practice before the R.M.C. game, so a large attendance is necessary.

R. V. C. SPORTS PRACTICES.

At 12.15 this morning practices of the 50 and 100 yard dashes will be held at the Stadium. "Times" will start for eliminations. A practice for hurdles will be held at 12 o'clock this morning at the Stadium.

A course of instruction in aeronautics to enable members of the C.O.T.C. to qualify for commissions in the Air Force, will be held at Training Station of the Royal Canadian Air Force.

2. DURATION—

The course will consist of three terms, each of three and a half to four months duration, (approximately May 15th to September 1st) in three consecutive years.

3.—

To be eligible for selection a candidate must:—

- Be a member of the C.O.T.C., and have performed the requisite qualifying service and passed the practical examination for Certificate "A", C.O.T.C.
- Be following a course of study as an undergraduate leading to a degree in applied science.
- Be physically fit for Air Force service as a pilot.
- Be unmarried.
- Be under twenty-one years of age upon the commencement of the Course.
- Be recommended by the Military Committee of the University as likely to become an efficient Air Force Officer.
- Give an understanding to complete the whole course.

Before attending the second term, the candidate will be required to be in possession of Certificate "A", C.O.T.C.

4. STATUS—

During the period that a candidate is in attendance at the Royal Canadian Air Force Training Station, he will be granted a temporary commission as provisional pilot officer, and will receive pay allowances in accordance with Pay and Allowance Regulations for the Royal Canadian Air Force. The proposed rates are as follows:

Pay During the first term.....\$3.00 per day
During the second term.....\$3.50 per day
During the third term.....\$4.00 per day

Allowances—While travelling to and from the Royal Canadian Air Forces Training Station, candidates shall receive free transportation and a travelling allowance of \$5.00 per day.

5. MESSING—

Candidates will be required to live in the officers' mess, while at the Royal Canadian Air Force Training Station. The mess will draw a free ration on behalf of each candidate, but in addition, the candidate will be required to pay a mess bill to cover the additional cost of messing, of approximately 75c per diem.

6. QUARTERS, UNIFORM AND MEDICAL ATTENTION

While under training, candidates will be provided with uniform, camp equipment and quarters. Medical and hospital services will be provided as necessary without charge.

7. QUALIFICATIONS

On completion of the course, candidates will be eligible for:—

- Appointment as Pilot Officer in the Royal Canadian Air Force for permanent duty (the number of vacancies for such appointments will, in all probability, be very limited).
- Appointment as pilot officer in the Royal Canadian Air Force for active duty twenty-eight days in every two years, and in emergency.
- Transfer to the reserve of officers in which case they will not be liable for further service, except in time of emergency.

8. APPLICATIONS—

Applications of eligible candidates will be asked for in January, 1925, and will need to be rendered before the 14th February, 1925.

9. NUMBERS—

The number of candidates that will be accepted will depend upon the funds and facilities available.

10. COMMENCEMENT—

The courses will commence at the Royal Canadian Air Force Station, Camp Borden, at a date to be fixed, probably about May 15th, 1925.

FIRST SQUAD SHOWS FORM IN PRACTICE

Decided Improvement in Fast Workout

FURIOUS PLAY

Two Picked Teams Fought Hard in Practice Game

The Seniors were out in force yesterday and went through a furious practice. It was one of the best practices to date and the whole showed good form in the plays. Coach Shaughnessy picked two teams and set them against each other, and judging from the way they went at each other, one would be led to believe that either one or the other was a team from another college. The men went at a clip that was as fast, if not faster, than a regular game and threw themselves wholeheartedly into the game. Every man is working his hardest to make a position on the team and the coach will have several choices in all the line positions when Saturday's game takes place. The whole team is working hard to get revenge for the last defeat and when they hit up with the champion Queen's team it will be a very different squad that that which took the field against Varsity.

Prior to the scrimmage, the men were put through some hard work on the dummy and were given a stiff signal drill. The half backs were lined up along the field and a kicker was stationed at the top of the stadium and punted catches down to them. A relay of helpers lined the aisle and passed the balls back up again. The halves were given a good work-out on catching punts, as it was clearly shown last Saturday that they are particularly weak in this department. However, to-day's practice showed a decided improvement and it is hoped that there will be no fumbles on Saturday.

Nothing very definite is known of the R. M. C. squad, but it is certain that the cadets will give the seniors a scrappy battle as they always have plenty of pep and fight to the last whistle.

FIRST JAZZ TEA GREAT SUCCESS

Jazz Teas Popular With Students

The first jazz tea of the season, held yesterday afternoon at the Union cafeteria at five o'clock was a decided success. Bobbie Burland and his orchestra played excellent music which was keenly enjoyed by all. Mention must be made of the food, for Pierre upheld his reputation by serving eats that were very appetizing. The cafeteria was well filled and it was evident that the tea was enjoyed, for those present expressed their impatience for the next tea. It is expected that another will be held in the near future.

ARTS-COMMERCE BEAT MEDICALS

Close Soccer Game Won by Superior Team

The Arts-Commerce combination triumphed over the Medicals in an Inter-Faculty Soccer match yesterday afternoon on the campus. The one and only goal of the game was scored by Seaton within a few minutes of the commencement of the match, and although several attempts were made to increase this lead, the Arts forwards failed each time, and even when they did succeed in shooting, Davidson in goal was always able to save them. The Arts team was by far the better of the two, and no doubt, with more opposition, the looseness of their play would be greatly overcome. The Meds. although fighting hard, were easy victims to their more experienced and confident rivals.

The back division in particular of the Med. team requires strengthening as they seemed quite unable to offset the rushes of the speedy Arts forwards, and were also incapable of helping their own forwards. The team would improve considerably if they were to get in a few work-outs together. There are individual men on the team, who will have no difficulty in obtaining recognition, and who will, no doubt, be starting on one of the teams on Saturday.

This afternoon will see the last of the workouts before the games be played with the Royal Victoria Hospital, and the Fairmount Club. As the teams to

The Editor,

McGill Daily.

Dear Sir:—Allow me to explain to the Student Body an item of the Financial Statement which was referred to in the Editorial Columns of the McGill Daily of the 16th instant, where reference was made to the decrease in revenue derived from banquets. It is true that a decrease is shown and the Financial Statement shows exactly the conditions as entered in the Ledger Books of the Council.

The amount of \$1,872.73 were the receipts from suppers and dances for the months of October, November and December. From that date the receipts from suppers and dances

You Can't Keep Your Mind on Your Work

If Your Pen Demands Your Attention

YOU cannot compose your thoughts—cannot note the points of a lecture, if you are writing with a pen that loses step as you go along. That pen is a mental drag.

The sooner you replace it with the never failing, never ailing Parker Duofold, the quicker you will hit your stride in college work and social correspondence.

Duofold not only gives the mind full play and the hand full swing—its fit and balanced symmetry and jewel-smooth point inspire and stimulate. They tend to develop a hand of speed and character.

And we guarantee the point, if not mistreated, for 25 years' WEAR. So Duofold at \$5 and \$7 is the most economical pen—less costly than short-lived pens priced lower.

Any good pen counter will sell you Parker Duofold—flashing plain black; or black-tipped lacquer-red, a color that makes it handsome to own and hard to lose.

In Other Words— 'Nothing But The Truth'

Mere assertions don't count. It's only making them good that matters. With this belief as our platform, we make our bow and get down to business. You may, or may not, believe in National Defence, but the chances are you thoroughly believe in self-defence.

No one can put up a good "defence" without comparison. We live by comparison. We determine good or bad by comparison. We determine value by comparison.

Comparison is one of the guideposts of life.

Every time you pay more for something than you should--you're paying a tax to carelessness--making a contribution to waste.

Nobody wants to do that--of course--and the only reason any of us do is because it's so easy to be careless. But it's a mighty expensive habit.

We're interested in getting you to make a comparison in taxi rates. We don't want you to be carried away by our enthusiasm--or anybody else's. The cold, hard facts will do for us.

Yellow Cabs operate practically 20% lower than any other taxi service in Montreal. Our tariff is what is known as a "30-cent-a-mile basis." The nearest to us is a "40-cent-a-mile basis."

If you had anything to gain by paying a higher rate--we'd say "go to it!" BUT YOU HAVEN'T! Yellow Cabs are the best in the world--so is Yellow Cab Service.

So when you get the peak of taxi value, the maximum of taxi service and safety--at the minimum of cost--all in Yellow Cabs--isn't it worth while making your taxi call,

It always costs you less to ride in a Yellow Cab.

S.C.A. RECEPTION FOR FRESHETTES

Large Gathering in R. V. C. Common Room

The annual freshmen reception given by the S. C. A. of R. V. C. was held yesterday afternoon in the common room. This reception is usually the first social event of the year at R. V. C. Its purpose being to acquaint the freshmen with their class mates as well as members of the other years, and also to introduce them to the work of the S. C. A.

A very large number assembled in the Commons Room yesterday, including members of the M. S. P. E. and the Department of Social Service, as well as students of the R. V. C. Each freshette was accompanied by an upper classman, and each wore a card with her name on it, so that there was no difficulty in knowing "who was who." Miss Edith Baker, president of the S. C. A., received the guests and spoke a few words of welcome to the new arrivals.

Miss Hurlbatt then addressed the gathering, pointing out the place which the S. C. A. holds in student life. Following this Miss Baker introduced Miss Mary Fry, an R. V. C. graduate of '23, who outlined the aim and work of the S. C. A., emphasizing that of the Bible Study Groups. Miss Baker then explained what the S. C. A. really is, and its relation to students in foreign countries. She mentioned some of the activities planned for the coming year, and the intention of holding open meetings at which addresses will be given on various subjects, such as social services. In conclusion, she earnestly requested that everyone give her whole-hearted support to the S. C. A.

At the close of Miss Baker's speech tea was served, and dancing concluded the programme.

MEETING OF THEOLOGICAL UNDERGRADS. NOVEMBER 5

The first regular monthly meeting of the Theological Undergraduate Society will be held on the first Wednesday in November. It was decided at the first meeting held yesterday afternoon, at Divinity Hall, with Dale Morre presiding. The meeting was well attended. The subject of the next meeting will be on the subject: "What place does the Theological Undergrad fill at McGill." It was felt by the thirty members present that the society should take an active part in the life of the students of the Congregational, Presbyterian, Wesleyan and Diocesan.

"Marriage is a great game, isn't it?" "Yes, but always results in a tie."

Pindjay, G. Morrill, M. Moore, R. M. P. Hamilton, R. Ray, E. Gill, R. Dingruan, A. Bourne, P. Knowlton, F. Salter, H. Hyman, Cumine.

NEWFOUNDLAND A CLUB

A meeting of the executive of the Newfoundland Club will be held in the reading room of the Union at 5 p.m. to-day. It is necessary that all of the members of the executive be present.

INTERCOLLEGIATE TENNIS FINALS

General admission to the finals of the intercollegiate tennis tournament will be by students tickets. The public will be charged 55 cents for admission. In addition to the coupons those students desiring seats be charged an extra 30 cents. The tickets are good for standing room only.

FRESHMAN RECEPTION

This great event takes place tonight at 7.45 o'clock at Strathcona Hall. All freshmen of all faculties are cordially invited to attend the function. There will be music, refreshments, good fellowship, and lots of other things. The sophomores have agreed to call a truce for the occasion, so a most enjoyable evening is assured. Everybody welcome.

GOLF CLUB

The executive of the golf club have arranged with Beaconsfield and the Royal Montreal Golf Clubs to allow candidates for the intercollegiate team ample opportunity for practice. The visitors register in each club must be signed. All purchases made are to be signed for by the individual and also put McGill on the bill. The following are the persons to whom these privileges are extended: J. G. Mickles Jr., Jack Cameron, R. N. Hayes, B. Cochrane, Waide Allan, A. W. Mitchell, T. McAvity, W. Powers, Stoney, West.

If those feeling they have the ability to match the team would please get in touch with W. B. Allan Up. 8633 or L. G. Mickles Pl. 6979--arrangements will be made to get these privileges extended to them. It is advisable to get in as much practice as possible.

ATHLETIC BOARD'S BUSINESS MEETING

Clear Interpretation of Regulations is Urged

Some important business was dealt with at a recent meeting of the Athletic Board. A considerable sum of money was granted with which to construct an improved boxing ring and to furnish the study room of the Field House. Dr. A. S. Maclean were chosen to draw up constitution for the various athletic clubs under the Board. The co-operation of the managers of these clubs was urgently requested.

It was unanimously decided that the interpretation of the rules and regulations of the Board, concerning playing in outside teams and on non-university teams be closely followed in the interest of the University. The spirit and success of all athletic activities depend upon an honourable adherence to these rules. Students were reminded to read p. 37 of the Red Hand Book regarding this matter.

Prof. J. C. Simpson, Dr. A. S. Lamb and Campbell Copo were chosen to be the representative in the C. I. U.
